

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

II. About This School

Contact Information (School Year 2008-09)

This section provides the school's contact information.

School Description and Mission Statement (School Year 2007-08)

This section provides information about the school, its programs and its goals.

Gilbert High School is an accredited continuation high school that serves students in grades 9 through 12 and is located on two separate sites within the district. It is a 15 hour a week self-pacing program designed to assist those students who are often credit deficient or in need of a flexible schedule due to employment, family obligations, and/or other critical needs. Students follow the district adopted curriculum, meet the district graduation requirements and are expected to enroll in ROP job training courses or work experience to complete a full day. Gilbert High School's mission is to provide a safe, caring learning environment. Through literacy and standards-based instructional support and career technical training, students improve their academic, personal and social skills so they may assume a productive and positive role in their community.

Opportunities for Parental Involvement (School Year 2007-08)

This section provides information about opportunities for parents to become involved with school activities.

Parents have the opportunity, and are expected, to participate in the at-risk counseling for their child beginning with the first required Parent/Student Orientation meeting. Parenting classes are available throughout the year through the district Parent Involvement Office. Parents receive home calls periodically to inform them of activities or incidents on campus. All parents have access to school counselors and administrators as needed. There is bilingual support on all campuses for parents with language needs. Additionally, all parents are invited to attend School Site Council meetings for alternative education to provide input on school policies and procedures under discussion.

[Student Enrollment by Grade Level \(School Year 2007-08\)](#)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students
Grade 9	58
Grade 10	106
Grade 11	308
Grade 12	365
Total Enrollment	837

[Student Enrollment by Group \(School Year 2007-08\)](#)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

III. School Climate

[School Safety Plan \(School Year 2007-08\)](#)

This section provides information about the school's comprehensive safety plan.

School Safety Plans are reviewed on an annual basis. Input is gathered from the School Site Council, community resource groups and staff in order to determine any needed changes. The Gilbert HS plan was last presented to staff in January, 2007. Copies are maintained in each administrative office.

[Suspensions and Expulsions](#)

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District

IV. School Facilities

[School Facility Conditions and Planned Improvement \(School Year 2008-09\)](#)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms may be obtained by speaking with the school principal.

Gilbert High School is located on three different campuses. Gilbert South shares the Trident Education Center at 1800 W. Ball Road, Anaheim with Anaheim Adult Education and the Community Day program. Gilbert West is located at 6855 La Palma Avenue, Buena Park and shares the campus with Hope High School for severely handicapped students. Gilbert East is located at 501 Crescent Way, Anaheim in the same building as the District Office. School facility conditions evaluations are conducted annually on all three campuses.

During the Fall of 2007 a thorough analysis of the alternative education facilities resulted in a decision to consolidate the Gilbert-East site into the Gilbert-West and Gilbert-South sites starting with the 2008-2009 school year. The Adult Education program will be relocated off the Trident Education Center to make the necessary space needed for the Gilbert-East program.

The most recent site inspection was completed a Gilbert West on December 9, 2008 and Gilbert South on December 19, 2008.

V. Teachers

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Teachers participate in a variety of district in-services as well as professional development workshops and conferences to enhance their knowledge and instructional skills. The Beginning Teacher Support and Assessment (BTSA) program, district workshops, and professional conferences are opportunities for professional development. The district continues to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize student assessment results in order to target instruction to better meet the individual needs of students.

Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All district staff members are supported in their efforts to be considered highly qualified under NCLB.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2005-06	2006-07	2007-08	2007-08
With Full Credential	59	59	56	1,351
Without Full Credential	3	1	2	59
Teaching Outside Subject Area of Competence	0	2	0	N/A

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2006-07)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the NCLB Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

VI Support Staff

Academic Counselors and Other Support Staff (School Year 2007-08)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2	418
Library Media Teacher (Librarian)		N/A
Library Media Services Staff (paraprofessional)		N/A
Psychologist		N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist		N/A
Resource Specialist (non-teaching)		N/A

VII. Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2008-09)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

All content subject areas utilize standards-aligned, state and district adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language need students and the learning needs students.

This information was collected in October 2008.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	Reading/Language Arts materials were adopted in 2002-03. There is one textbook available per student. The new selection process will begin during the 2008-2009 school year.	0
Mathematics	Mathematics textbooks were adopted in 2001-02. Course appropriate, standards-based textbooks were chosen for each mathematics course. There is one textbook available per student. The selection process for new textbooks will be conducted during the 2007-2008 school year.	0
Science	Science textbooks were adopted in 2006-2007. There is one textbook available per student.	0
History-Social Science	History/Social science textbooks were adopted in 2005-06. There is one textbook available per student.	0
Foreign Language	Foreign language is not offered at Gilbert High School.	0
Health	Health textbooks were adopted in 2004-05. There is one textbook available per student.	0
Visual and Performing Arts		
Science Laboratory Equipment (grades 9-12)	At this time, none of the Gilbert campuses have science lab facilities. Plans are in place to offer lab science courses during the 2008-09 school year.	100

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2006-07)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$11,284	\$2,884	\$8,400	\$79,316
District	---	---	\$5,558	\$75,555
Percent Difference – School Site and District	---	---	51.1%	5%
State	---	---	\$4,943	\$65,574
Percent Difference – School Site and State	---	---	69.9%	21%

Types of Services Funded (Fiscal Year 2007-08)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

Gilbert High School receives limited federal and State categorical funding. The English Learner students are supplemented with Title III, EIA/LEP, and ELAP funding. Each of these funding sources supports the English acquisition of the English Learner. Title II funding supports the professional development needs of the Gilbert staff including acquiring instructional strategies that benefit the at-risk student. One-time monies, such as CAHSEE funding, supports the school in developing programs that address the needs of those students struggling to pass the state required exam, CAHSEE.

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$45,832	\$41,367
Mid-Range Teacher Salary	\$83,399	\$66,967
Highest Teacher Salary	\$95,799	\$85,877
Average Principal Salary (Middle)	\$111,304	\$112,947
Average Principal Salary (High)	\$127,366	\$123,438
Superintendent Salary	\$226,000	\$185,780
Percent of Budget for Teacher Salaries	39.7%	37.1%
Percent of Budget for Administrative Salaries	4.2%	5.1%

IX. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

CST Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at <http://cahsee.cde.ca.gov/>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

CAHSEE Results by Performance Level for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level in English-language arts and mathematics.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005-06	2006-07	2007-08
Statewide	B	B	B
Similar Schools	B	B	B

API Changes by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

Group	Actual API Change			Growth API Score
	2005-06	2006-07	2007-08	2008
All Students at the School	141	N/A	B	506
African American		N/A		
American Indian or Alaska Native		N/A		
Asian		N/A

White (not Hispanic)		N/A		
Socioeconomically Disadvantaged		N/A		483
English Learners		N/A		460
Students with Disabilities		N/A		

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

[AYP Overall and by Criteria \(School Year 2007-08\)](#)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	No	Yes
Participation Rate - Mathematics	No	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	No	No
API	No	Yes
Graduation Rate	Yes	Yes

[Federal Intervention Program \(School Year 2008-09\)](#)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Percent of Schools Currently in Program Improvement	N/A	27.3

XI. School Completion and Postsecondary Preparation

Admission Requirements for California Public Universities

[University of California](#)

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at <http://www.universityofcalifornia.edu/admissions/general.html>.

[California State University](#)

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site at <http://www.calstate.edu/admission/>.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data is available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Indicator	School			District			State		
	2004-05	2005-06	2006-07	2004-05	2005-06	2006-07	2004-05	2005-06	2006-07

Graduation Rate	96.4	98.9	94.2	96.4	98.9	94.2	85	83	79.5

Completion of High School Graduation Requirements

Students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2007-08 school year in grade 12, as evidenced by that school year's October CBEDS enrollment, this table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CAHSEE Web page at <http://www.cde.ca.gov/ta/tq/hs/>.

Note: "N/A" means that the student group is not numerically significant.
