- We **do not** wish to use the probationary period at this time. We understand this makes our student ineligible until he/she achieves a 2.0 G.P.A. at a future grading period.

Please discuss this information and policy with your son/daughter and return this form to the athletic director, after obtaining a signature from the instructor of the activity. **The student remains ineligible until the form is returned to the school administration.** If you have questions regarding this policy, form, or wish to appeal because of special circumstances, please contact the principal.
