School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

School Mission Statement:

Gilbert High School's mission is to provide a safe and caring learning environment. Through instruction that is based on the current state-adopted standards, 21st century skills, and the Next Generation Science standards, we help our students improve their academic, personal, and social skills so they may assume a productive and positive role in their community.

General Information:

Gilbert High School is an accredited Model Continuation High School that serves students in grades 9 through 12.. The school's full-day program (8:00 am to 1:52 pm) is designed to assist students who are credit deficient or in need of a flexible schedule due to employment, family obligations, and/or other critical needs. Through a collaborative effort with parents/family members and the community, Gilbert helps students recover/earn credits toward a high school diploma and prepare for postsecondary success. Students have the option of graduating from Gilbert or, for those who are on-track, returning to their comprehensive site to graduate.

Educational Highlights:

Gilbert has twice been designated a Model Continuation High School by the California Department of Education. Gilbert students have access to varied learning environments, including direct instruction, APEX online courses, and Credit Acceleration Program (CAP) classes. Targeted student groups include English Learners, McKinney Vento, Socioeconomically Disadvantaged, Students with Disabilities, and Teen Parents; however, all students have access to academic, behavioral, and social interventions, including two full-time social workers, social work interns; substance abuse workshops; college application and FAFSA workshops; community resources; field trips, and campus support groups and clubs. The duration of a semester for most courses is nine weeks; although some courses, such as those offered through a partnership with the North Orange County Regional Occupational Program (NOCROP) utilize a traditional 18-week semester. Gilbert High School students must meet the District’s minimum graduation requirements to earn a high school diploma, which includes 220 total credits. Completed coursework must include the District’s graduation requirements of: English 1-4, U.S. History, World History, Government, Economics, Math 3, Math 4, Math 5, Introduction to Functions, Earth Science, Biology, Art, Computer Ethics, PE, Health, and electives. We offer Paxton-Patterson STEM-based college and career ready courses that range from HVAC and plumbing to sports medicine and robotics, and Career Technical Education (CTE) courses that range from accounting and law and legal to culinary arts and masonry.

*A revised schedule that allowed for synchronous and asynchronous learning was followed during the COVID-19 virtual learning period.

Demographic Information:

Annual enrollment at Gilbert fluctuates throughout the year but ranges between 400 and 600 students. A September 18, 2020 snapshot showed enrollment at 436, in which 88.1% were socioeconomically disadvantaged, 32.1% were English Learners, 10.3% were students with disabilities (SWD), 3.4% were McKinney-Vento, and 1.8% were foster youth. In addition, the majority of students were Hispanic (86.7%) and male (66.1%).

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	English language arts textbooks, Houghton Mifflin Harcourt-Collections, were adopted in 2014-15. There is one textbook available per student.	Yes	0

School Facility Conditions and Planned Improvements

Information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms may be obtained by speaking with the school principal.

Gilbert High School is located in the Trident Education Center at 1800 W. Ball Road, Anaheim, and shares the campus with Polaris High School (Independent Study). School facility conditions evaluations are conducted annually. During the fall of 2009, a thorough analysis of the alternative education facilities resulted in a decision to consolidate the Gilbert-West site into the Gilbert-South campus on the Trident Education Center site, starting with the 2010-11 school year.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection was completed on October 20, 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	0	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Gilbert High School has four career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2017-18 school year courses were offered in the following career industries: Business & Finance; Design, Visual, and Media Arts, Health Science & Medical Technology; and Hospitality, Tourism, and Recreation.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on universal design for learning, ensuring that all students can access the curriculum. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents and family members have several opportunities to participate in the education of their student. Family orientation nights are held at the beginning of each semester and on-campus events, such as Back to School Night, Open House, parent learning walks, and an awards and talent show, are held throughout the year. Parents/family members are invited to join the English Learner Advisory Committee (ELAC), the School Site Council (SSC), and other committee meetings to provide input on school policies and procedures. SSC members help write the annual school plan, family engagement policy, and school-to-home compact. Our full-time, bilingual Family and Community Engagement specialist (FACES) addresses parent needs and conducts family workshops and events. Parents/family members receive home calls, text messages, or email in their preferred language to inform them of their student's progress and of school events. In addition, all parents/family members have access to their student's progress through the Aeries (student information system) Parent Portal, which is available with instructions on the school website.

*During the COVID-19 quarantine, parent meetings and events were held virtually.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	10.95	1.83	
Expulsions	0	.003	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Our School Safety Plan is reviewed, discussed, and updated on an annual basis. Input is gathered from our School Safety Committee (which consists of certificated and classified staff members), local law enforcement officials (police and fire), and our School Site Council (which includes an administrator, staff members, students, and parents/community members). Input from these groups is used to determine any needed changes to current emergency response procedures. The Safe School Action Plan is revised in December to reflect updates that impact response procedures as well as new resources that impact our ability to respond to emergency situations. The Plan addresses survey and trend data, social climate (PBIS and MTSS), student interventions, and the physical environment. Emergency response protocols are discussed during the first two days (non-student professional development) of the school year. The School Safety Plan is implemented by all staff members, and our school community (students and staff) participates in no less than six safety/evacuation drills throughout the school year.

Types of Services Funded (Fiscal Year 2019-2020)

Gilbert High School receives federal and state categorical funding and is a school-wide Title I program. Funding for the LCAP goals of college and career readiness, parental involvement, and a safe and positive school culture is provided by the Local Control Funding Formula (LCFF), Title I, and Title IV. Our LCFF funds are used to improve and increase educational services for our educationally disadvantaged students and English Learners. Our Title I funding targets the learning needs of our students, parent involvement opportunities, and professional development of our staff. Our Title IV funds are used to support STEAM (science, technology, engineering, art, math) programs. In addition, Gilbert receives Comprehensive Support and Improvement (CSI) funds, which are earmarked for improving student achievement through evidence-based interventions, strategies, and activities.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Gilbert High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
